

TOP THREE WAYS

students stay alcohol aware

SOS!UK

THE CONTEXT

Every year, SOS UK ask thousands of students how they access information regarding alcohol on campus.

On the next slide are the top three ways given in 2024/25

ACCESSING INFO

- 1) 41% of students have seen communications related to staying safe while drinking and/or drinking responsibly**
- 2) 24% of students have seen staff or volunteers providing support related to alcohol**
- 3) 23% of students are aware of events/stalls related to alcohol consumption**

WHY?

Having access to accurate information about alcohol means that you can make a choice that is right for you.

How do you access information and guidance on alcohol on campus?

The logo for SOS!UK, featuring the text 'SOS!UK' in a bold, black, stylized font. The 'O' in 'SOS' is replaced by a black silhouette of the map of Africa. The logo is set against a white rectangular background with a torn, paper-like edge.
